

PKD Awareness Day 2026:

Current & Emerging Perspectives in ADPKD

Friday, September 4, 2026

9:00 am to 3:30 pm EST

Virtual Conference, 6.0 ACCME Credits Available

COMPLIMENTARY PROGRAM

- 9:00 Introduction
Course Director: Heedeok Han MD, *Assistant Professor of Medicine, Columbia University*
- 9:05 Genetic Insights in ADPKD
Sindhuri Prakash-Polet MD, PhD, *Assistant Professor of Medicine, NYU Langone Health*
- 9:30 Advancements in Imaging for ADPKD
Martin Prince MD, PhD, *Professor of Radiology, Weill Cornell*
- 10:00 Kidney Manifestation of ADPKD
Priya Deshpande MD, *Assistant Professor of Medicine, Icahn School of Medicine*
- 10:30 Chronic Kidney Disease Management, Progression & Kidney Replacement Therapy
Michael J. Ross MD, *Professor of Medicine & Developmental & Molecular Biology, Montefiore Einstein*
- 11:00 Break
- 11:15 Polycystic Liver Disease in ADPKD
Alyson Fox MD, *Professor of Medicine, Columbia University*
Jason Hawksworth MD, *Associate Professor of Surgery, Columbia University*
- 12:00 Extrarenal Manifestations of ADPKD: Intracranial Aneurysms & Beyond
James Chevalier MD, *Assistant Professor of Clinical Medicine, Weill Cornell*
- 12:30 Pregnancy & Reproductive Health
Sinem Karipcin MD, *Assistant Professor of Obstetrics & Gynecology, Columbia University*
Caitlin Baptiste MD, *Assistant Professor of Obstetrics & Gynecology, Columbia University*
- 1:00 Break
- 1:15 SPECIAL LECTURE: Emerging Therapies to Delay Progression of Kidney Disease
Ronak Lakhia MD, *Assistant Professor of Medicine, UT Southwestern Medical Center*
- 2:00 PKD Foundation: Partnering with Patients & Providers to Advance ADPKD Care
Susan Bushnell, *President, PKD Foundation*
- 2:30 Simple Nutrition for PKD
Kelly Welsh RD, LDN, *Kidney Nutrition Institute*
- 3:00 Putting It All Together: Case-Based Review from the PKD Center
Heedeok Han MD, *Assistant Professor of Medicine, Columbia University*
Jeniffer Min & Claire Zhu, *Medical Students, Columbia University*
- 3:30 Adjourn
